SHARON WANG LIU

GRAPHIC DESIGNER

516.870.8552 | SHARONWL3708@GMAIL.COM | SHARONWL.ME/MOTION

BACKGROUND

Graphics designer blending visual craft, brand systems, and creative technology. Experienced in generating consumer facing product content, developing storyboards and style frames, and producing multi format campaign assets in fast paced environments.

EDUCATION

NEW MEDIA DESIGN BFA (HONORS)

Rochester Institute of Technology, 2023 – 2027

- Outstanding Undergraduate Scholar (Top 1%)
- **Director of Marketing (INIT RIT)**
- GPA: 3.94

EXPERIENCE

MARKETING DESIGNER | RIT SAUNDERS COLLEGE OF BUSINESS

Rochester, NY (Remote), July 2024 – present

- Design **on-brand digital and print assets** supporting marketing campaigns and events
- Manage up to 15 concurrent projects in a **deadline-driven environment**
- Develop **scalable templates and systems** to maintain brand consistency
- Created onboarding documentation and mentored a junior designer
- Provided troubleshooting for leadership and staff, resolving Adobe issues and file-type limitations

DESIGNER | CLAWMII SHOP

Rochester, NY, June 2025 – July 2026

- Built a **cohesive brand identity system** including logo, typography, and color palette
- Designed launch assets, marketing templates, and social media visuals
- Established visual guidelines to ensure **consistency across platforms**

UI/UX DESIGNER | RIT MAGIC SPELL STUDIOS / AUDIENSE

Rochester, NY (Remote), March 2026 – July 2026 (20-week client project)

- Conceptualized and prototyped the next generation of **live B2B AI marketing and analytics software.**
- Streamlined complex data structures into user flows, wireframes, and high-fidelity Figma prototypes.
- Created **scalable UI design systems and component libraries** by adapting the brand identity into accessible UI patterns, interaction guidelines, and design specs.
- Presented design directions to the client and iterate based on feedback, while collaborating with marketing, product, and development leads to **ensure cohesive, user-focused solutions.**
