SHARON WANG LIU

UX DESIGNER

516.870.8552 | SHARONWL3708@GMAIL.COM | SHARONWL.ME/UX

BACKGROUND

Designer turning complex challenges into user-centered solutions that drive business impact. Experience collaborating with clients and cross-functional product teams. Adaptable, results-driven, and committed to lifelong learning and high creative standards.

EDUCATION

NEW MEDIA DESIGN BFA (HONORS)

Rochester Institute of Technology, 2023 – 2027

- Outstanding Undergraduate Scholar (Top 1%)
- Director of Marketing (INIT RIT)
- GPA: 3.94

EXPERIENCE

UI/UX DESIGNER | RIT MAGIC SPELL STUDIOS / AUDIENSE

Rochester, NY (Remote), March 2026 – July 2026 (20-week client project)

- Conceptualized and prototyped the next iteration of a **live B2B AI marketing and analytics software.**
- Streamlined complex data structures into user flows, wireframes, and high-fidelity Figma prototypes.
- Created **scalable UI design systems and component libraries** by adapting the brand identity into accessible UI patterns, interaction guidelines, and design specs.
- Presented design directions to the client and iterate based on feedback, while collaborating with marketing, product, and development leads to **ensure cohesive, user-focused solutions.**

UI/UX DESIGNER / PROJECT | SPECIAL OLYMPICS NY

Remote, November 2025 – present

- Redesigned website by re-structing information architecture, user journeys, wireframes, and prototypes for multiple devices using Figma.
- Implementing **responsive design** using WordPress to **streamline processes for site managers.**
- Integrating **custom web features and interactions** with HTML, CSS, JavaScript, and Three.js.
- Ensuring **strict accessibility, plug-in compatibility, and cross-platform UX consistency.**

MARKETING DESIGNER | RIT SAUNDERS COLLEGE OF BUSINESS

Rochester, NY (Remote), July 2024 – present

- Designed **on-brand digital and print assets** to support **marketing initiatives.**
- Developed **scalable templates and design systems** to ensure **consistency across platforms.**
- Managed multiple projects in a **fast-paced environment** and mentored a junior designer.
